<p>Hi, I’m Stephen Sykes from the City of Beaverton’s Solid Waste and Recycling Team. I’d like to talk with you about garbage trucks and safety in the City of Beaverton. Because, we thought you would like to know.</p> 	<p><b>TRANSITION</b> Zoom into bust shot</p>
<p>The City of Beaverton is always concerned about safety. In our city, collection trucks operate on a daily basis collecting garbage, yard debris and recycling from homes and businesses.</p>	<p><i>Stephen keeps talking....</i></p>
	<p><b>TRANSITION</b> into movie</p>
<p>Beaverton’s garbage haulers also take safety seriously. Haulers have safety protocols that may include: vehicle inspections, maintenance, highly visible uniforms, specialized training, back up beepers, and cameras to increase visibility.</p>	<p><i>Movie of hauler inspecting his truck, driver with vest on, show truck backing up with beeper going off.</i></p>
	<p><b>TRANSITION</b> into JPEG</p>
<p>There are some important things to remember when you or your children are around garbage trucks.</p> <ul style="list-style-type: none"> <li>• A garbage truck can weigh 25 tons, about the weight of five elephants.</li> <li>• Garbage trucks are not able to stop quickly, because they are so heavy.</li> <li>• A garbage truck’s tires are as tall as the average five-year-old child.</li> </ul> <p>Considering the previous points, it is wise to:</p> <ul style="list-style-type: none"> <li>• Always keep your children and pets away from garbage trucks.</li> <li>• Please remember that <b>IF YOU CAN'T SEE THE DRIVER – THE DRIVER CAN'T SEE YOU!</b></li> </ul> <p>Please Help Us Keep Beaverton Safe!</p>	<p><b>JPEG</b> - Still image of large truck on one side with bullet points added as reading progresses.</p>
