### Speakers

Report from Katrina Rodriguez and Marcia Langer regarding Senior Victims. Information was dispersed and provided as to what we can do to prevent identification theft. Mentioned that the 3 credit unions are free to use each year. Can do a different one every 4 months.

Oregon Attorney General has started Oregon Scam Alert Network, which will send out announcements of new scams taking place in Oregon.

Should plan who will take over financial execution once unable to take care of yourself.

Judith said that she would like to work with Katrina and Marcia to create easy to read information for seniors about fraud protection.

Caren and Marga handed out a sheet that stated everything that their committee had done over the past year. Mentioned that would like to work with our committee with events such as Elsie Stuhr Health and Wellness Fair. Would also like to work with us regarding seniors and veterans. They want to know when we have speakers. They want to hear from people with disabilities and issues that they face. Preparing a display to take to events to encourage people to come and talk to them about issues. Problem is getting the information out about our services to those that need it. Meals on Wheels is a great way to get information out. Disabilities Research Guide available. Meet on 3<sup>rd</sup> Thursday of the month at 4PM to 5:30 PM upstairs in City Hall. Represent all ages. Talked about their committee and our committee making a brochure together to put in offices such as Senior Centers and Disability and Aging offices in the Beaverton area. Jim said he could work on a brochure and pay for printing through his reprographics budget. Jim asked them to send their agenda so that he could distribute to our committee members.
