CITY OF BEAVERTON STREET PAVING PLANNED ON BARROWS ROAD FROM JUNE 6 TO 10

BEAVERTON, Ore. –The City of Beaverton’s Public Works Department will be paving SW Barrows Rd between SW Barrows Rd between SW 154th Ave and Roshak Rd., during the week of June 6 to 10.

The exact schedule is weather-dependent. Work will begin at 7 a.m. and finish no later than 5 p.m. each day. Traffic lanes will be flagged and remain open to local traffic. The city will complete the project as quickly as possible and work to minimize inconvenience, but there will be occasional delays.

Resurfacing streets regularly, rather than allowing them to deteriorate, saves money for the city. Pavement resurfacing overlay is considerably less expensive than rebuilding streets. Beaverton inspects its streets frequently to determine which roads are in need of paving.
