FOR IMMEDIATE RELEASE

July 7, 2016

CITY OF BEAVERTON STREET PAVING PLANNED FOR JULY 11 TO 20

BEAVERTON, Ore. –The City of Beaverton’s Public Works Department will be paving several streets from July 11 to 20. The streets are:

- SW Bany Road (county limits to 165th Ave.)
- SW 156th PI (Bridle Hills Dr. to end of pavement)
- SW 157th Ave. (Bridle Hills Dr. to Hart Road)
- SW 158th PI (Bridle Hills Dr. to end of pavement)
- SW Bridle Hills Dr. (THPRD park to end of pavement)
- SW Misty Ct. (157th Ave. to end of pavement)

The exact schedule is weather-dependent. Work will begin on SW Bany Road at 9 a.m. and finish no later than 4 p.m. On all other streets, work will begin at 7 a.m. and finish no later than 5 p.m.

On Bany Road, traffic will be reduced to one lane and flagged in both directions. On all other streets, traffic lanes will be flagged and remain open to local traffic. The city will complete the project as quickly as possible and work to minimize inconvenience, but there will be occasional delays.

Resurfacing streets regularly is considerably less expensive than rebuilding and increases their lifespan. Beaverton inspects its streets frequently to determine which roads are in need of paving.
