**FOR IMMEDIATE RELEASE**

**September 1, 2016**

### **BEAVERTON COMPLETES CANYON ROAD ALTERNATE BIKE ROUTES**

**BEAVERTON, Ore.** – The City of Beaverton has completed striping of an on-street bike network on two streets parallel to Canyon Road. The project provides safe, comfortable and low stress bikeways through Central Beaverton and the Creekside District without having to travel on Canyon Road.

The project includes: shared lane markings, “sharrows”, on Millikan Way between East Avenue and Hocken Ave; striped bike lanes on Hocken Ave between Millikan Way and Tualatin Valley Highway; shared lane markings on Broadway Street between Cedar Hills Boulevard and Lombard; and striped bike lanes on Broadway Street between Lombard and SW Canyon Road.

This is the first project to use on-street shared lane markings in Beaverton, is identified in the city’s Creekside District Master Plan, and implements several actions of the Beaverton Community Vision Plan.

Phase 2 of this project will be the construction of a 12-foot wide shared use path that connects the east end of Millikan Way to Lombard Ave. This work will be completed in summer 2017. In 2018, new bike lanes will be completed on the west side of Hocken Ave from Henry St to Canyon Rd and on the south side of Canyon Rd from Hocken Ave to Cedar Hills Blvd.

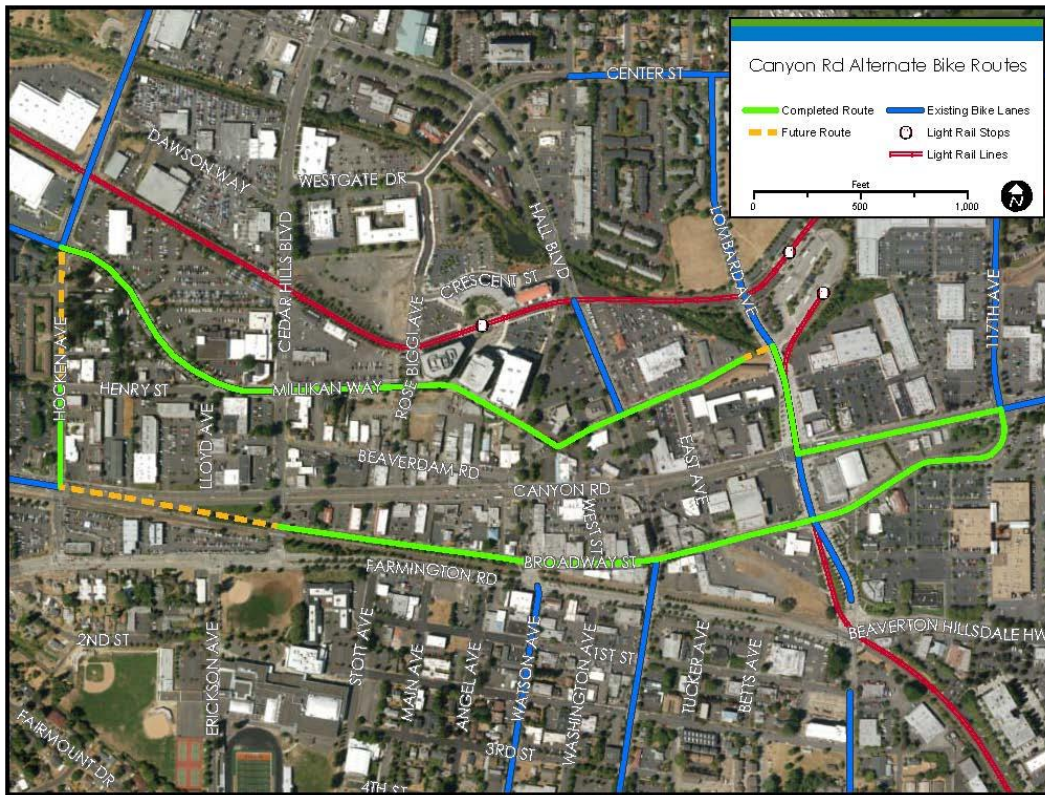

For more information, contact Jim Brink, city project engineer, at 503-526-2450 or [jbrink@BeavertonOregon.gov](mailto:jbrink@BeavertonOregon.gov).
