The butterfly craft was successful and there was a lot of engagement for all ages and was busy the whole time!

Partnering with a teaching artist for kids at the Quick Draw

Proposed Idea: Teaching artist workshop and first look at the art for early release Wednesday before BAM! and encourage kids to come back on Saturday for the Quick Draw and to meet their favorite artist

Marketing/Outreach Committee will work on creative ways to get more artists involved.

Proposed Idea: Debi will reach out to the Beaverton Symphony or Beaverton Concert band for a possible small ensemble to play at the reception.

Proposed Idea: Working with Alexis to create an event on Thursday where diverse groups come together to create a piece of art together. Create a rock garden – feel free to take a rock when you leave.
