The purpose of the City of Beaverton's Community Emergency Response Team (CERT) is to educate the citizens of Beaverton about preparedness for disasters and hazards that could impact the City, and train them on how to properly respond to them. Through the basic CERT class, Beaverton CERT members acquire skills that will enable them to assist in their neighborhood and/or workplace during and following a disaster or emergency that has impacted the City. The training consists of seven night classes and one Saturday (half day) evaluation/disaster simulation.

After graduating from Beaverton CERT, members will be encouraged (although not required) to take an active role in continuing their efforts beyond graduation by participating in provided training opportunities, team meetings, City of Beaverton events (i.e., Flicks by the Fountain, Holiday Tree Lighting, Parade and much more). Beaverton CERT members will also have the opportunity to participate in the annual regional CERT Rodeo that includes CERT members from around the State.

Training Dates for next class:

Wednesday nights - March 10th, 17th, 24th, 31st, 7th, 14th, and 21st - from 6:00 p.m. 9:00 p.m.

April 24th from 8:00 a.m. – 12:00 p.m. - mandatory disaster simulation and graduation.
