Earn Money for Your Neighborhood at Beaverton's Recycling Day Saturday, June 2

**Volunteer
to Help** your
NAC

Each year, Beaverton's Neighborhood Association Committees (NACs) partner with the City, the Beaverton Committee for Citizen Involvement (BCCI), and several recycling vendors to help the community recycle items that are not taken each week at the curb.

This free event requires dozens of volunteers to help people unload their cars, direct traffic, and other duties. For each four hour shift worked, your neighborhood receives funds from the City to be used for the NAC. Last year, this amounted to about \$48 for each shift worked. The money is used by your neighborhood to fund great projects and events throughout the year.

The two shifts available are 8 am to noon or 11 am to 3 pm. Volunteers are also encouraged to work both shifts. Come out to volunteer, so your neighborhood can boast that it provided the most number of volunteers and also received the largest portion of funds. Anyone can volunteer who is 16 years of age or older. Those under 18 will need to have a parent or guardian complete a waiver.

Sign up to volunteer by attending your April or May neighborhood meeting and let the Chair know that you are interested. You can also sign up or ask questions about the event by contacting Jason Wachs, Neighborhood Program Coordinator, at 503-526-2543 or e-mail jwachs@BeavertonOregon.gov. Look for updates about volunteering and what will be accepted at the event at www.BeavertonOregon.gov/RecyclingDay.

Help Those in Need by Donating Food at Recycling Day
