7:15 – 7:35 Affordable Housing and Density Text Amendment- Brian Martin, Long Range Planning Manager, Community Development Department

### *Brief description:*

Affordable housing projects sometimes face Development Code obstacles that cause delay or expense and may render the project unviable. The City of Beaverton is initiating a text amendment to make changes to the Development Code that would remove some of those barriers for regulated affordable housing projects and make it easier to seek relief from numerical development standards, such as setbacks, height and density. The project is in its early stages and City staff are seeking feedback and guidance on the proposed changes.

7:35 – 7:40 City Update- Lani Parr, Program Manager, Mayor's Office

7:40- 7:45 Meeting's actionable items & dates to remember
