CALL FOR BEAVERTON NIGHT MARKET VENDORS - THE NIGHT MARKET WILL BE CELEBRATED THIS YEAR IN AUGUST-

BEAVERTON, Ore. – The Beaverton Night Market will be back in person in summer 2021! The city is monitoring pandemic guidelines and adjusting to plan for a smaller yet safe and vibrant event.

The city is again seeking applications from food, craft and merchandise vendors from around the world to participate in the seventh annual markets. The vendor application is available online now through Tuesday, June 1 at www.BeavertonOregon.gov/nightmarket.

Interested vendors must submit an online application, available in English and Spanish. It is not necessary to be an established business or fluent English-speaker; support is available to navigate the process.

Vendors will be chosen by a selection committee and notified of their status by mid-June. Selection criteria includes a preference for Beaverton-area businesses, unique cultural product offerings, and compatibility of the vendor's mission with that of the market. Please note that submitting an application does not guarantee participation.

The Beaverton Night Market exists to create a vibrant, intercultural, family-friendly space that is reminiscent of night markets internationally. The market offers a culturally-relevant evening activity and gathering space with ethnic food and crafts for families of all backgrounds in Beaverton.

This year's Beaverton Night Market will be celebrated during the second weekend in August 2021.
