

The City of Beaverton presents

Development Code

Improvement Project Open House

THURSDAY, FEB 9 2017

6 - 8 PM | THE BEAVERTON BUILDING

Columbia River Room, 12725 SW Millikan Way

Please join us to learn about and comment on proposed development code changes that will help promote active, vibrant, walkable districts and remove obstacles to desired development.

Proposed Development Code changes include:

- Minimum Floor Area Ratio
- Drive-Throughs
- Traffic Impact Analysis Requirements
- Shared Parking

Planners will be on hand to discuss the proposed changes and how they may affect future development.
