COUNTY ELECTIONS

**Section 29. NOMINATIONS, NUMBERED COUNCIL POSITIONS AND
NONPARTISAN PRIMARY AND GENERAL ELECTIONS.**

A. Nominations. The name of any elector qualified for elective office as provided in Section 11 of this charter may be placed on the ~~primary~~-ballot for an elective office of the city. The name of such an elector shall be submitted to the county clerk to be printed upon the city ballot whenever a petition containing said candidate's nomination, written acceptance and signatures of not fewer than ten (10) nor more than twenty (20) qualified electors has been filed with the city elections officer. Said petition shall be in a form to be prescribed by the city council.

~~B. Primary Elections. A non-partisan primary election shall be held in each even numbered year, or as hereafter provided by the constitution or general laws of Oregon regulating state partisan primary elections, and on the day and month fixed for such state partisan primary elections.~~

B. Notwithstanding any law to the contrary, the mayor and members of council shall be elected by ranked choice voting, also known as single transferable vote. The council shall, by ordinance, establish the ballot format and the rules for casting and counting the votes.

C. Numbered Council Positions. The nomination of mayor and councilors shall be non-partisan and shall be made in conformity with methods hereinafter provided. Council positions shall be numbered in consecutive order. Each councilor shall be designated by the same position as the councilor whom he or she has succeeded or will succeed in office. In all proceedings for the nominations of candidates for the office of councilor, every petition for nomination, nominee's acceptance and certificate of election, ballot or other document used in connection with nominations for councilors shall state the official number of the position as councilor to which such candidate aspires. His or her name shall appear on the ballot only for such designated position. At all elections each such office of councilor to be filled shall be separately designated on the ballot by official position number as herein provided, in addition to other matter required by law to appear thereon. ~~In case no nomination is made at the primary election, nominations may be made for the general election by position in the same manner as herein set forth for primary elections.~~ An incumbent councilor may not file for nomination for or election to any councilor position except the one he or she presently fills.

D. Limited Filing. A candidate may not file for more than one numbered position in any one year nor can a candidate file for another council position in the same year after withdrawing the original filing.

~~E. Majority of Votes Required. In all primary elections the two persons having the highest number of votes to any municipal office shall be deemed nominated for the run-off election for that office unless one candidate receives a majority of all votes cast at said primary election, in which event that person alone shall be deemed to have been nominated. If two persons have been nominated for any office and the nomination of one of those persons is disqualified for any reason, then the person receiving the third highest number of votes at the primary election for that office shall be deemed nominated for the run-off election for that office to replace the person who was disqualified.~~
