Federal Law requires that a flood insurance policy be obtained as a condition of a federally-backed mortgage or loan to be secured for buildings in the special flood hazard area (SFHA).

Note: This determination is based on the FIRM of the city, and does not imply that the referenced property will or will not be free from flooding or damage. A property not in the SFHA may be damaged by flood greater than predicted or from a local drainage problem not shown on the map. This determination does not create liability on the part of the City of Beaverton, or any officer or employee thereof, for any damage that results from the reliance on this determination.
